

# DAIRYMEN HOMOGENIZE!

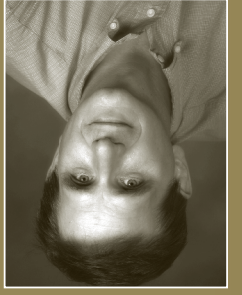

**WE MUST BAND TOGETHER NOW TO  
DETERMINE THE FUTURE OF OUR INDUSTRY.**

**MARCH 9, 2011 • 5:30 - 8:30 PM**  
**THE PONDEROSA ROOM • JOHN ASCUAGAS NUGGET • RENO, NEVADA**  
**AFTER THE WESTERN DAIRY MANAGEMENT CONFERENCE**

A Montana logger, global food-issue expert and award-winning environmentalist, Bruce Vincent has been featured on *60 Minutes* and has delivered keynotes around the country. Touching on environmental and social responsibility, Vincent deconstructs the threats and opportunities that lie ahead for agriculture — and offers a compelling call to arms for the dairy community.

**About the speaker**

Mark your calendars today. The first 500 guests receive two complimentary drink tickets.

Learn why the social license to operate agricultural businesses in North America is in peril. And why we need leaders and visionaries willing to define and defend the future of our industry — before someone else does it for us.
